Inmarsat BGAN Service

BGAN Link plans use the Inmarsat geostationary earth orbit satellite network together with compatible Inmarsat BGAN terminals. Design9 can supply the following terminals, suitable for this service :
Cobham Explorer 323, Cobham Explorer 540 (dual-mode available) Cobham Explorer 510, Hughes 9502

An Inmarsat BGAN Sim card is included with all BGAN or BGAN M2M terminals purchased directly from Design9, or the sim card can be purchased for AUD\$28.00 to use in your existing compatible terminal.

Speed Restriction

BGAN Link is an all-you-can-eat service with no excess data charges, preventing bill shock. Data speed restrictions may be applicable for usage above the monthly data allowance.

Plan Changes

You may upgrade your plan during the contract plan however you cannot downgrade. At the end of the contract term, you can upgrade or downgrade.
