Design9 can supply the following terminals, suitable for this service :

Orbcomm ST-6100, Orbcomm ST-9100, Orbcomm ST-2100, Orbcomm IDP-800

Plan Details

IDP Plans require an Orbcomm Gateway Account to collect your data. Gateway Fee USD300.

You may upgrade or downgrade your plan at the start of the month. Minimum commitment required is one month, all packages automatically renew after expiration on a month by month basis. Individual terminals cannot be suspended, only deactivated. A fee is applicable on re-activation (US\$26). Alert and suspend setpoints are not applicable on IDP Plans.

Terms & Conditions

Design9 Isatdata Pro plans use the Inmarsat Mobile Satellite Network. Satellite reception limitations and some exclusion zones apply. Data is billed in 15 Byte increments. Prices quoted are in USD excluding GST and are subject to change. You will receive an invoice monthly by email from Design9, including an airtime summary outlining individual subscriptions and usage. Plans can be upgraded at any time but will only take effect on the next billing cycle and minimum term will be reset. A compatible IDP device is required to access the Inmarsat IDP service. Please contact sales@design9.com.au for more information or visit <http://www.design9.com.au/wp1/m2m-terminals/>

Pro-rata rates are not applicable, charges are calculated for each month the terminal is active, regardless if it is a full or part month. Design9 plans are available to credit approved customers only. Prices are subject to change.
